PRINCIPALS MESSAGE

Dear Parents and Caregivers
Kia Ora

Thank you to all the parents and caregivers who were able to attend the Conferences. If you wish to have a conversation about your child, please contact the teacher to arrange a time that suits everyone.

While the Conferences were taking place, I took the opportunity to talk to the Year 4 to 6 students about the new building. I shared the design and current photos of the interior layout with the students. They were very interested in the process and keen to see the final build. I gave the students a tentative date of Term 3 for the transition into the new building.

We are currently working with the Year 5 and 6 teachers on a series of Frequently Asked Questions to share with the Community on the new build.

SCHOODOCS

Browns Bay School has now moved its policies and procedures onto the online platform called SchoolDocs. SchoolDocs can be found at www.schooldocs.co.nz. SchoolDocs developed a core set of policies and procedures applicable to all New Zealand primary schools, that is tailored for each school. Last year we transitioned our specific policies to SchoolDocs to ensure our special character was evident in our policies and procedures.

To locate our school site on SchoolDocs enter the website address into your browser. The SchoolDocs page will open, click the green button "Search for your school" (highlighted), enter our school's name into the search area and the Sign In box will appear. The Username is **brownsbay** and the password is **bbs**.

On the website you will find our policies such as the Complaints Policy which is located under Employer Responsibility. If you have difficulty finding the policies, use the search bar.

During the year I will offer parents the chance to participate in Policy Reviews through the website.

COVID-19

The school has maintained an orange setting since the start of Term 2. In the table below I am providing some information on our current levels of Covid-19

Covid Positive Cases for Term 2

	Y1	Y2	Y3	Y4	Y5	Y6	Total
Week 1 (2 – 6 May)	5				2	3	10
Week 2 (7 – 13 May)	5	2	4	4	4	5	24
Week 3 (14 – 19 May)	1	3	2	1	9	7	16

We currently have 22 students who are self-isolating at home.

Most of the cases are spread across the school with most classes having 1 or 2 Covid cases reported. We did notice a spike in one room. The parents were informed of the situation and children in that room were asked to wear masks. The room is being well ventilated and has had an air purifier installed.

The school has received two air purifiers from the Ministry of Education and 4 CO2 monitors. The purifiers have been placed in a high traffic area and in a room with challenging ventilation. The monitors are being moved around the school to check the air quality in different rooms.

SCHOOL VALUES: TRIMPER

At our next school assemblies, I will be introducing our new students to TRIMPER. Trimper helps our students remember our school values:

PINK SHIRT DAY – FRIDAY 20 MAY (TOMORROW)

This week is Bully Free week. Teachers have taken the opportunity to use the amazing resources from the [Bully Free website](#) for use in their classrooms. The message this year is He kōtuinga mahi iti, he hua pai-ā rau / Small ripples create big waves. The week provides a great opportunity for students to celebrate what makes them unique and encourages schools to build environments where everyone is welcome, safe, and free from bullying.

On Friday, Pink Shirt Day (20 May), students are allowed to wear a pink shirt or add a splash of pink to their clothing to celebrate Bully Free week. The added splash may be their whole uniform or a ribbon in their hair. Please note: There is no donation required or expected.

SCHOOL EVENTS

MSPORTS FOOTBALL SKILLS

Msports came to Browns Bay School to give the children a chance to experience Football in a fun environment. They played games and learnt new skills. The rain held off and everyone thoroughly enjoyed the opportunity. These photos show Room 34 from Year 3 having fun with Chris and Rossi!

Room 9 Year 1 students showing off their Football skills!

YEAR 4 MERC

Year 4, Rooms 31 and 32 enjoyed their Outdoor Education Day at MERC Long Bay last week.

Here are some reflections written by some of the students about their experiences at MERC:

"My favourite activity at Merc was **Archery**. You could shoot with real arrows and compete with others to see which team could get the most points. I was very proud because I shot a bullseye in my first archery shot ever!"

By Eric Room 32.

"All the activities at MERC were fun, but I loved **Climbing** and **Outdoor Survival Skills**. Climbing let me do what I love, trying harder things and getting better. Outdoor Survival Skills let me learn new things that will help me to be safe and to survive in the wild or nature."

By Amelia Room 32.

"**Surf Skills** was my favourite activity because you didn't have to wait your turn and the instructor helped everyone. I was very proud because I had never surfed before, and I stood up so many times. I even did a big turn in the middle of catching a big wave. The instructor said that the turn is very hard to learn, and I did it by accident."

By Bella Room 32

Fun Times!

Room 31 students share their proudest moments from MERC:

Alena

"I am most proud of Moana Paddle because I was too scared to get on it, so I went on it on my second try."

Harrison

"The activity that I am most proud of is surf skills because I could go into the barrel of the wave on a surfboard."

Johnathan

"I am most proud of Survival Skills because I liked the way my fort was built."

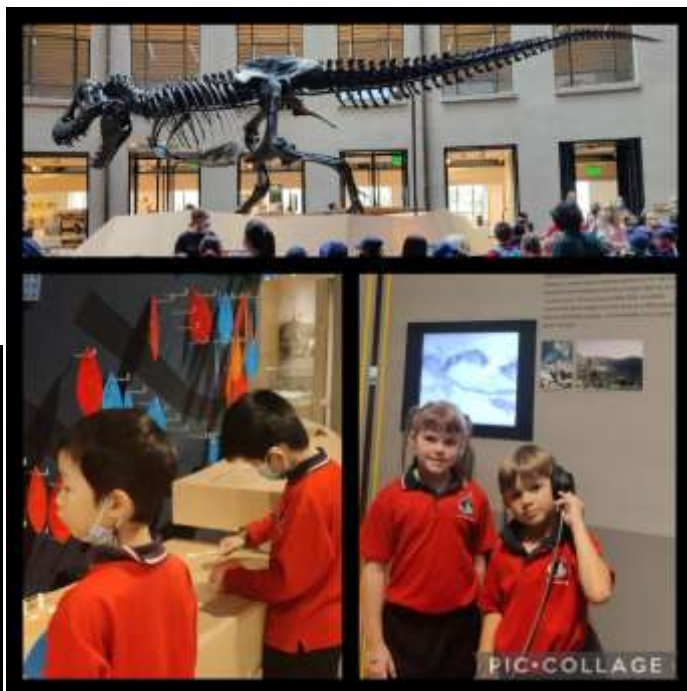

Lesley

"I am most proud of Rock Climbing because I almost got to the top."

YEAR 3 MUSEUM TRIP

As part of our Topic enquiry on Natural Disasters, Year 3 went to the Auckland Museum to learn more about Volcanoes and other events in New Zealand's history. We were also lucky enough to see Dinosaur Pete while we were there. The children thoroughly enjoyed the experience, and this was another fantastic Outdoor Education Day opportunity. Thanks again to those parents who helped us on the day. It was very much appreciated.

NEW ENTRANT AND YEAR 1 LUNCHTIME LEGO CLUB
