## **PRINCIPALS MESSAGE**

Dear Parents and Caregivers  
Kia Ora Koutou

The past few weeks have been very busy with children learning in the classrooms, Assemblies, sports games on the field, Kapa Haka practice in the Hall, swimming in the school pool and Waterwise for the Level 5 children - to name just a few of the daily activities. These are things we have taken for granted over the years, yet this year with the interruption of COVID-19, the past few weeks highlight how special operating normal is!

I would urge everyone to take care of their health and treat any sniffles / coughs seriously. We need to make sure we keep on top of COVID-19 so we can continue our normal lives.

### **REPORTING TO PARENTS**

Teachers are writing End of Year reports and will then share them with the Senior Leadership Team for moderation. These reports will be available on the eTap Parent Portal on 10 December.

The reporting to parents on student achievement in relation to National Standards has not been a requirement of our school reports since 2018. We are now reporting against the Curriculum levels as outlined in the New Zealand Curriculum. These curriculum levels are shown on our graphs in our Data Charts that are in the report.

### **BOARD OF TRUSTEES PARENT HELPERS MORNING TEA**

On Thursday 26th November at 10.30am, the Board of Trustees is hosting a morning tea in the school hall to acknowledge and thank the wonderful parents, caregivers, grandparents and friends that contribute to our school over the year. If you have been involved in a sports team through coaching or managing, a regular classroom helper, supported our school library, been involved in FOTs etc, please join us in the hall. To those who are unable to make it, please accept our thanks for your valuable contribution to the success of our school.

Peter Mulcahy  
Principal

## TRAFFIC SAFETY

This week is Road Safety Week and we are recognising it with our Travelwise Mufti / Dress Up day. If you come to school dressed up, please bring a GOLD Coin that will go towards our Travelwise group.

School traffic in the morning and afternoon can be stressful, especially when there is limited parking, yet I would ask that you respect our neighbours and the road rules. Our neighbours in Hyde Road, Masterton Road and Browns Bay Road would appreciate not having their driveways blocked. The teachers at the Crossings would also appreciate parents not stopping in the Bus bays or on No Parking lines. These actions by a few of our parents are frustrating for our neighbours and dangerous for our students who use the crossings. These are NO PARKING ZONES -

The **Drop or Collect and Go** zone has some interesting rules which are colourfully shown below. The main goal is to move cars through this area as quick and safely as possible. If we do not get a flow going with cars, Browns Bay Road will grid lock and this will cause problems all over the neighbourhood...

## Browns Bay School DROP or COLLECT and GO Zone

Drivers DO NOT get out of your car!

DO NOT WAIT in the zone for children - if your child is not waiting, please go around the block

DO NOT do a U-turn to leave

Be prepared - Please have children's bags and belonging next to them so they can get out of the car quickly

**BE** sensible role models at all times

**YES!** Stop to let your BBS children out or collect your BBS child who is waiting

**YES,** keep moving forward as spaces ahead become available

If you cannot follow ALL of these rules, please find a park to attend to your morning drop off or afternoon pick up. Thank you.

### BYOD EVENT – (TONIGHT)

At Browns Bay School we allow students to bring their own devices into school from Year 4 to 6. These are not compulsory and details regarding Browns Bay School eLearning and BYOD can be found on our Website here: <https://www.brownsbay.school.nz/teaching-learning/elearning>

**Tonight there is a BYOD Event at Noel Leeming in Albany 4pm – 7.30pm.** An email about this has previously been sent out to parents and caregivers. The store will be set up for local schools and will be offering a range of deals on BYOD options for Browns Bay School families who may need to purchase or upgrade. There will also be special deals on other products. This is a great time to sort out your child's device needs for 2021 while also a chance to tick off the Christmas gift list. Due to limited supply this year, it will pay to get in early if you are wanting a new device.

This also ties in with Noel Leeming Friends and Family fortnight, where there are discounts on everything in the store. Mrs Bibbie will be in store tonight and hopes to catch up with many of you and answer any questions or queries you may have, so it would be a good time to pick up a device. Note that the deals will be running for a couple of weeks in store if you are unable to make it tonight. Don't miss out on the amazing deals for our Browns Bay School Community between Monday 02 - Sunday 15 November. Browns Bay School encourages you to share this to all your family and friends so they can also take advantage of these amazing deals.

## ***SCHOOL NOTICES***

---

### **SCHOOL ASSEMBLIES**

Our School Assembly times and sizes have changed! As the school has grown in size, we cannot all fit into the Hall. We have split the Assemblies into a Junior (Year 1 – 3) and Senior (Year 4 – 6) Assembly. These Assemblies are a Sharing Assembly where School Certificates are presented. The Last Assembly of the year will be organised by our Year 6 students and their dates are:

December 10 Year 1 – 3 2pm

December 11 Year 4 – 6 11am

We apologise for any confusion at last week's Assembly – We did not advise of this change in the last newsletter. Parents of children receiving School certificates / trophies will always be invited to these Assemblies.

### **CLASS PLACEMENT FORMS**

We will be starting our class placement process for 2021 soon. This will involve each child completing a sociogram with the Teachers, and the teachers providing the relevant information required to effect the best possible placement for each child. This form was recently emailed out to parents. If you have lost the email, the link is here <https://forms.gle/QyUkfaGkRMTGWd28> and will close on Friday 13 November.

## OUTDOOR EDUCATION PROGRAMME 2021 – POLICE VETS

As most of you will be aware, the school runs a very extensive Outdoor Education Programme, incorporating a sequential skill development programme, from Years 1-6. As an added safety precaution the Board of Trustees has a policy in place requiring all parents who stay overnight at any of our overnight camps to undergo a Police Vet.

It is vital that we have parent support at our camps, both during the day and overnight. Without this support these programmes will not be able to take place.

If there is any possibility that you might be considering staying overnight at the Year 5 or 6 camps in 2021, could you please contact the school office and we will send the relevant documentation to you. These vets must be submitted as soon as possible as the process can take a number of weeks.

**(If you have previously been vetted by the school, you will be notified if your vet is no longer valid).**

## ROOMS 1 TO 7 RENOVATIONS

The renovations to these rooms as shown in last week's newsletter is all ready to go!

The renovations include a full deck outside rooms 1 to 7. The wooden deck will be accessed from the classroom by two sets of bi-fold doors. The existing wooden door openings onto the court area are being replaced with aluminium doors. A canopy of hard material will cover the new deck from room 1 to 7. The brick 'fences' between the classrooms will be retained yet the existing class gardens will be removed.

The organisation for the renovations are:

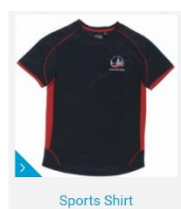

- 23 Nov to 18 Dec Deck Built
- 18 Dec to 25 Jan Install aluminium door and bi-folds. Put in canopy foundations
- Term 1 2021 Break Install canopy

Construction like this will create noise and to help reduce it, the builders will put Echo Barrier onto the fence and outside the classroom to reduce the noise as much as possible.

A safety fence will block access from the courts to the build so we will advise parents in these rooms about a plan we have developed to ensure children can get in and out of the rooms safety. This plan will be shared with parents soon.

## LOST or STOLEN

Were you in Browns Bay Road  
on Wednesday 4<sup>th</sup> November after 3pm?  
A woman was taken ill and had an ambulance attend to her.  
She was walking up past houses 164-66 at the time carrying  
her violin in its case. She has not seen her violin since then.

Did you see someone pick it up? She  
really needs it back and if you know  
where it is, please contact the phone  
number on the name tag or leave it  
at the police station or a local school  
office.

The violinist is heartbroken as her  
violin music is a major part of her  
life.  
It is an Endeavour Alumnus violin.
