PRINCIPALS MESSAGE

Dear Parents and Caregivers
Kia Ora

Term 2 begins on Monday April 30 and ends on Friday 6 July. Our theme is **Discovery - Discoveries change our lives** (Science and Technology) and the Inquiry Topics are:

- Year 1: Up, Up and Away
- Year 2: Save Our Seas / What was That? (Sound)
- Year 3: Camp and Magnetism
- Year 4: Camp and Rocky Shore
- Year 5: Animal Enclosure enrichment
- Year 6: Magnificent 7 (Wonders of the World)

Each Year level team chooses a topic that allows them to teach the Science Curriculum – Physical World and Technology curriculum objectives. The topics are shared with the other teams to ensure there is no crossover or duplication and are integrated across into other curriculum areas e.g. reading, writing, art.

SAFETY PLAN

Browns Bay School has been working with an independent company, Harrison Tew®, who specialise in Emergency Management Plans for schools. On Tuesday we were to conduct a school-wide lockdown exercise under the guidance of Harrison Tew®. Unfortunately after preparing the students for the lockdown with Assemblies and class visits, we cancelled the final drill due to the heavy weather conditions we began to experience. We will complete the drill early next term. Should you hear of a lock down or evacuation at the school, can I please ask that you do not come to the school or phone us, as we may not be in a position to respond. Our process if we ever go into a lockdown is: text to parents, an email to parents and then updates on the website / Facebook page.

The power outage yesterday was a good test of our emergency systems with the texts, Facebook and website alerts. If you did not get the early morning text it may pay to check we have your correct mobile phone details in our system. At the time of the outage we were in contact with the Ministry of Education, Vector and constantly reviewing the situation to ensure the children would be warm and have enough natural light in the rooms. The easiest form of communication from our point of view in this situation was Facebook. We could operate Facebook using mobile devices and answer questions quickly. If you are not already connected then please link in at:

PHYSICAL ACTIVITY GUIDELINES

Recently I was told that some children are looking very tired in class. I know it has been a long term yet the **Sit Less, Move More, Sleep Well – Physical Activity Guidelines for Children and Young People** include new sleep recommendations as well as updated advice on the amount of physical activity children and young people need and I thought it may be of interest to parents.

The updated advice for school-aged children and young people (aged 5 to 17 years) for a healthy 24-hours includes:

- quality uninterrupted sleep of 9 to 11 hours per night for those aged 5 to 13 years and 8 to 10 hours per night for those aged 14 to 17 years, with consistent bed and wake-up times
- an accumulation of at least 1 hour a day of moderate to vigorous physical activity (incorporate vigorous physical activities and activities that strengthen muscles and bones, at least 3 days a week)
- no more than 2 hours per day of recreational screen time
- for the remainder of the day:
 - sitting less and moving more – break up sitting time
 - participating in structured and unstructured light physical activities.

Children and young people not currently meeting these guidelines should make a progressive adjustment towards them, as the benefits of following these guidelines far exceed potential risks.

For more information on these recommendations, download: [Physical Activity Guidelines for Children and Young People \(PDF, 164 KB\)](#)

SCHOOL EVENTS

CLUSTER SWIMMING

Last week the Browns Bay School Cluster Swim Team competed at the 2018 Cluster Schools swim meet. We had a team of 36 swimmers represent our school. Throughout the morning there was some very exciting racing and amazing results. Each and every member of the team swam their hearts out. They should be proud of the team spirit and encouragement they displayed towards their teammates and the great sportsmanship they showed towards the other competitors.

Browns Bay school came away with an impressive - Ten 3rd place placings, Fifteen 2nd place placings and Thirteen 1st place placings. These results definitely paid off as Browns Bay School were announced the Mid Bays Cluster Champions for 2018 and took home the trophy. (Newsletter's lead photo)

FLIPPABALL

Congratulations to the BBS Year 4 Turtles and the Year 3 Orcas Flippaball teams for winning their respective grade this term. The Turtles went through the term unbeaten, scoring 59 goals and conceding only 2 in the Year 3/4 league. Well done to both teams!

WATERWISE

Some great photos from a beautiful day at Waterwise -Waiake Beach!

ACTIV-ASIAN

This year our ESOL team have been working with ActivAsian, which is an initiative at Harbour Sport aiming to establish sport and recreation opportunities for Asian parents and grandparents on the North Shore. This can include anything from walking groups to windsurfing sessions. On Monday, seven of our Korean parents met the ActivAsian walking group at BBS and headed out around the coast to Mairangi Bay beach (see photo). Next term the ActivAsian coordinators will organise a series of yoga sessions for Asian parents and grandparents from BBS in our hall, starting at 2:00 and finishing at 3:00. These sessions are provided free of charge

through funding from ActivAsian. We'd like to thank Dave, Jenny and Marian from ActivAsian for giving our families the opportunity to try some active NZ pursuits which their children may be getting involved in over the years, but they themselves might not otherwise have the chance to take part in. **Karen Cebalo - International, ESOL & GATE**

SCHOOL NOTICES

FULL SCHOOL ASSEMBLY

Every third week we have a Full School Assembly for parents to attend. Each team has a turn to lead an Assembly – this Friday it is the Year 5. Please note some Assemblies are postponed if the weather is inclement, this is to save the students from being soaked as they move to the Hall (it takes about 15 minutes for the whole school to be seated in the Hall). We will make this announcement via text or email about 10am on the day of the Assembly.

CHORUS CABINET MURAL ART

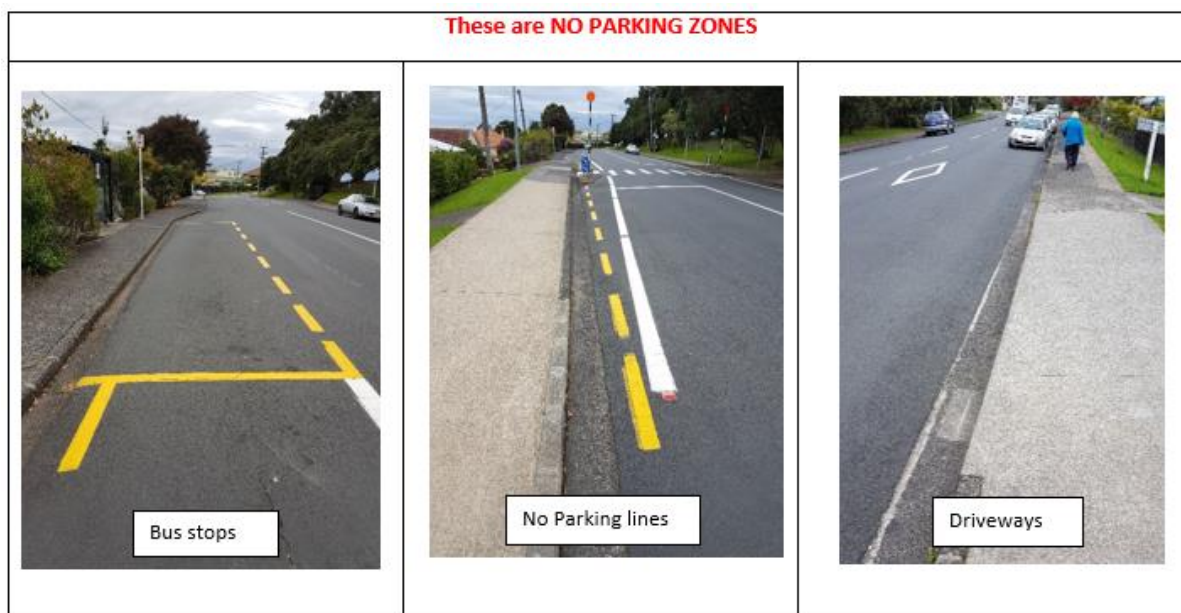

Our Year 5 children have been hard at work designing murals that reflect our Browns Bay environment and community. Their individual designs will be submitted to a team at Chorus and the two winning murals will be painted onto two cabinets in the Browns Bay shopping area.

We are looking for a local artist who would be happy to paint the children's designs onto these cabinets for us. All necessary paint and supplies will be provided. If this sounds like something you would like to be involved in then please contact Kerry Jowett at kerryj@brownsbay.school.nz Many thanks, The Year 5 team

SCHOOL TRAFFIC

School traffic in the morning and afternoon can be stressful, especially when there is limited parking, yet I would ask that you respect our neighbours and the road rules. Our neighbours in Hyde Road, Masterton Road and Browns Bay Road would appreciate not having their driveways blocked and the teachers at the Crossings would also appreciate parents not stopping in the Bus bays or on No Parking lines. These actions by a few of our parents are frustrating for our neighbours and dangerous for our students who use the crossings. These are NO PARKING ZONES -

Our 'Slow Down Around Schools' campaign was a huge success! The Travelwise team were very active on Friday and Monday and received over 370 'toots' and 450 'waves' of support. Thank you for taking notice of us and making the effort to slow down. Although some members of the community were going too fast, your efforts to slow down made them have to slow down. Good job Browns Bay School!!!

Browns Bay School DROP or COLLECT and GO Zone

Drivers DO NOT get out of your car!

DO NOT WAIT in the zone for children - if your child is not waiting, please go around the block

DO NOT do a U-turn to leave

Be prepared - Please have children's bags and belonging next to them so they can get out of the car quickly

BE sensible role models at all times

YES! Stop to let your BBS children out or collect your BBS child who is waiting

YES, keep moving forward as spaces ahead become available

If you cannot follow ALL of these rules, please find a park to attend to your morning drop off or afternoon pick up. Thank you.
